Well with 2021 behind us we focus on the year ahead!

First and foremost huge thanks to everyone who came down and supported the club - players, parents, friends and local organisations on December 17th 2021 for inaugural Christmas Fundraiser and Clementine Cup.

Huge thanks to Clementine Estate by Satterley for their support & financial donation.

## ***Funds Raised!***

Together we raised nearly \$3,000!! Who'd have thought that dunking the President would have been so popular 🏀🐼

Without our sponsors and supporters we would never have achieved such an achievement, and to think the team turned it around in 3 weeks!

## Into the New Year

Pre-season training schedule is to follow shortly (currently confirming with City of Swan re: pitch availability). We will kick off however on Saturday 5th Feb with a Parent Information meeting held by our Coaching Team. Whilst parents and coaches meet the teams will train outside (weather permitting - if it's too hot they players won't train). Please see schedule below for your allotted times.

If you have not received an email from the Club Registrar re: playing next year please email [registrar@eufc.org.au](mailto:registrar@eufc.org.au). It is our absolute intention to provide an opportunity for everyone wanting to play in 2022 to have the opportunity.

Please ensure you register to play ASAP and in doing so complete your playing kit size and players medical declaration at [www.eufc.org.au](http://www.eufc.org.au)

Following the information and training sessions we will finish off with a sausage sizzle!!

***Training Commences w/c 7th Feb***

This is for all Junior teams (U8 to U18) unless you hear from your allocated coach. If you are interested in coaching a team please [register your interest here](#). Remembering, that the one thing that can prevent your child playing this year is not having a Coach or Team Manager!

The Coaching team are currently allocating pitches and training days. If you are coaching this year and have specific requirements please contact [Directoroffootball@eufc.org.au](mailto:Directoroffootball@eufc.org.au) by Friday 7th January. We will always seek to accommodate Coach requirements recognising work/life commitments however there are a lot of teams to plan for.

### ***Junior 4 week Open Training Session***

For our 8s, 9s, 10s (boys and girls) and 12 girls our 4 week open training sessions will kick off w/c Mon 7th Feb. This is to ensure that all children have a place to play football at Ellenbrook United Football Club and give coaching staff ample time to best assess and finalise teams.

We are also planning a brand new Saturday morning small sided competition aimed at U8s to U12s to fall alongside our Tiny Tekkers session. This can be used for both players in a team who want extra ball time as well as giving new players the option to be involved with the club and start playing football. So that we can gauge interest please click the [link to register](#).

### ***Ladies & Men's 1st Team Training***

Men's 1st Team and Reserves team training commences 18th January
