Clementine Cup, Open Training Session & Club Fundraiser

17th December

Save the Date – 17th December!!!

We're excited to announce our inaugural Clementine Cup - so much so we're combining it with a Xmas Fundraiser and Open Training Session.

The new committee have been peddling quickly these last couple of week following the club AGM on 17th Nov. Sadly we are catching up things pre-dating the AGM but we are making headway 🐛 🐛

Nonetheless we're sorry we didn't achieve a smoother handover but this will not deter us from what already looks like an exciting year ahead.

If player numbers are a gauge with folk returning left, right and centre (see what we did there? 😊 🐛) then 2022 is going to be great!

However, as we grow the number of teams we also require new coaches to ensure we can get the players on the field. So if you're interested, come along to the club rooms for 7pm on 8th December to meet the team and see how you can get involved.

We are extremely excited to launch the Clementine Cup and huge thanks to our Club Sponsor Clementine Estate by Satterley. As a result there will be a small-sided football competition (more details to follow). HUGE thanks to Satterley of Clementine Estate.

On the night there will also be an open training session – we are doing this due to the number of players expressing an interest to play and either not yet placed in a team or could not make it to the trials. The open session will be run our by new Club Director of Football and Junior Technical Directors.

Reasoning for you perhaps not yet being placed in a team could be either we are requiring a coach for the team or missing a player or two. So, if your child has not yet been placed in a team please come on down, and even bring a friend.

Finally, not only will there be football to play on the 17th December but also plenty of family friendly festive activities and yes the club canteen and bar will be open too!
