

# ELLENBROOK UNITED Football Club

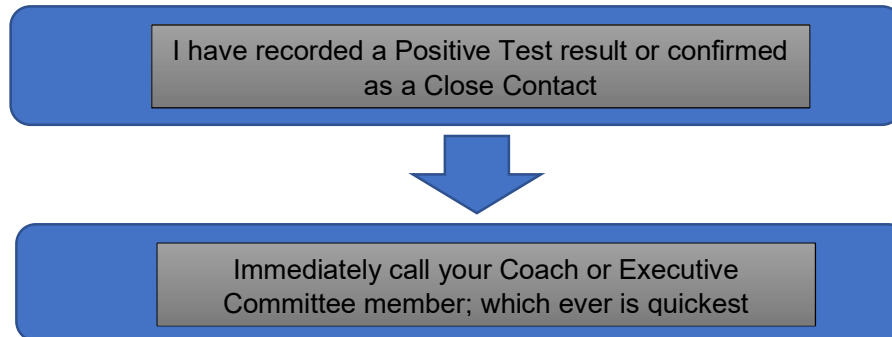

**1. Who does this apply to / be used by?**

All Players, Coaches, Committee members, Polunteers, Parents and extended family members that either attend club facilities, training or matches or may be in contact with any of the aforementioned.

**2. How long is it in place for?**

This flowpath is in place until revoked and/or updated by Committee review.

Prior to calling ensure you collate the following information:

- When did you become symptomatic, test Positive or advised of being a Close Contact
  - In the instance of Close Contact - where did this occur and were you in the presence of another EUFC member; player, parent, coach, volunteer etc?
- Details of EUFC members that you have been in contact with (if known) since infection and/or incubation and/or being asymptomatic?
- If positive, when were you tested and what test was used?
